SHEET No. 1247

12 - <u>BIODEGRADABILITY:</u> biodegradability of the surfactants over 90%
13 - <u>ELIMINATION</u> 13.1 <u>Product and its dilutions:</u> Pure product: Contain, absorb with an inert medium Dilutions : dilute with water before discarding 13.2 <u>Packaging:</u> Rinse with water Throwaway polyethylene packaging
14 - <u>TRANSPORTATION: CODIFICATION AND CLASSIFICATION</u> <u>International regulation:</u> Not regulated
15 - <u>REGULATORY INFORMATION</u> <u>Labelling:</u> not applicable
16 - <u>OTHER INFORMATION:</u> 9604 - BAY WEST ECO-FOAM SOAP is a gentle lotion for handwashing.

"This sheet completes the technical instructions for use but does not replace them. The information it contains is based on the state of our knowledge of the product concerned, on the date shown and is given in good faith. The attention of users is also drawn to the possible risks in using a product for purposes other than those for which it was designed.

In no case does it absolve the user from knowing and applying all the laws governing his business. It is his sole responsibility to take the precautions associated with the use he makes of the product".
